A UNIVERSE of Stories

JUNE 15-JULY 27, 2019

GIBSONVILLE PUBLIC LIBRARY

Summer Reading for Kids - Teens - Adults

WWW.GIBSONVILLELIBRARY.ORG

READING PROGRAM

All Ages

Participating in a summer reading program is a great way to help students avoid the "summer slide" and keep them engaged while school is out, BUT summer reading can be fun for everyone, regardless of age! Kids, teens, and adults are all encouraged to explore with us all summer long!

Registration

Summer Reading registration kicks off on Saturday, June 15 - but you can sign up to participate at any point between June 15 and July 20. When you register you'll receive a tote bag filled with everything you need to get started.

Track Your Reading

Use your Summer Reading log to keep track of the minutes you spend reading this summer. You can read whatever you want - they don't even have to be library books. There are also themed weekly reading challenges to help you find something different to read.

Earn Your Badges

You can earn badges for completing reading challenges, just reading whatever makes you happy, and by participating in library events and activities each week. Collect all 36!

FINE-FREE SUMMER

Do you have some long-overdue books hiding out at home? Well bring those things back - no charge!

To encourage families and individuals to check out and read as many books as possible, the library will not charge ANY late fees during the summer **(June 1 - September 1, 2019)**.

Books will still have due dates, and we encourage you to return your books as soon as you have finished them so someone else can enjoy them. Replacement costs for lost and damaged books will still be charged. But if you find that "lost" book this summer, you can turn it in without worrying about any fines.

WEEKLY ACTIVITIES

The library is hosting fun activities throughout June and July for all ages. Check out our events calendar for a complete list.

Storytimes (for ages 0-5)

Toddler Storytimes are for kids 3 and under and their caregivers. Come enjoy stories, fingerplays, and songs.

Pre-K Storytimes are geared for 4-5 year olds and features stories, crafts and activities.

Saturday Storytimes are designed for the whole family.

Active Afternoons (ages 6-12)

Fun activities and crafts on Thursday afternoons for elementary and middle school.

Teen Tuesday Challenges (ages 12-17)

A new challenge every week to test your limits and stretch your skills: art, trivia, food & more!

Live Challenges (all ages)

Drop by the library at any point each week for a new themed live challenge and a chance to earn an exclusive live challenge badge!

Spaceman Scavenger Hunt (all ages)

There are 6 golden spacemen hiding around town, waiting to be found. Take a pic when you spot one and share with #gplstars. Need a clue? Ask a librarian.
