

Saturday, May 8, 2021 - Downtown Gibsonville

Represent your heritage and culture at Culture Fest!

Sign up online today at giblib.org/culturefest

Culture Fest focuses on bringing together the community, attracting tourists and visitors, showcasing the diversity in Gibsonville, and celebrating our town. 2021 is Gibsonville's 150th anniversary, and we can't think of a better way to celebrate our establishment, growth, and diversification.

Individuals, groups, and organizations are invited to participate by representing their heritage and culture through displays, information booths, stage performances, and food. This free, public event will take all recommended health and safety precautions. Contact us to learn more about Culture Fest and how you can be a part of it!

Example of a display/informational booth

Display panels on either side of canopy depict iconic and interactive (photo op, kids painting activity) images of Honduras, table displays include traditional pottery, jewelry, and more.
